

Bicycle Detour Route for Water Authority's Relocation of Water Lines On Central between Coors and Yucca

NOTE: All construction is weather permitting and subject to change without notice.

Beginning **Monday, May 9, 2016** and lasting through **mid to late summer 2016**, the Water Authority will relocate water lines on Central between Coors and Yucca that are in conflict with the Albuquerque Rapid Transit (ART) project.

As part of this project, the bicycle detour to the right will be in place during construction.
